

# Little Thoughts

## Bloc Party.

Been thinking little thoughts  
Keep on walking trying to stand up  
Pay attention to the details  
We go slowly, slowly down  
Been thinking little thoughts  
Keep on walking trying to stand up  
Pay attention to the details  
We go slowly, down  
I'll go back if you ask  
I'll go back if you ask me  
I'll go back if you ask  
I'll go back if you ask me  
I'll go back if you ask  
I'll go back if you ask  
I'll go back, back-back-back-backwards  
This world ain't just m-m-m-made of facts  
Every half hour is a countdown  
If it's 'cause of my age then you're a coward  
If it's 'cause of my age then you're a coward  
If it's 'cause of my age then you're a coward  
I haven't got the guts to stand alone  
I'll go back if you ask  
I'll go back if you ask me  
I'll go back if you ask  
I'll go back if you ask me  
I'll go back if you ask  
I'll go back, back-back-back-backwards  
I'll go back if you ask  
I'll go back if you ask me  
I'll go back if you ask  
I'll go back if you ask me  
I'll go back if you ask  
I'll go back, back-back-back-backwards
