

On My Mind

One Step Away

I woke up in the afternoon
And through these blurry eyes I thought of you
 The feeling inside is true
The night ended too soonWithout you it feels so empty
 Alone and left with memories
 Swimming through my thoughts
Trying not to get caughtBaby youre on my mind
 Thinking about you all the time
I keep hoping but it breaks my heart
 And Baby youre on my mind
 Twisting and turning all night
Havent seen your face in so many days
 Beyond the city lights
Within my minds eye I see you there
 We shared something so real
 I wish we could go back
 Just let me know
 Ill never let you go
 Just those few hours
The only hours of my lifeWe all live our lives in our own way
 What did I do before I met you?
