

# Nightmare

## Nate Wants To Battle

Just sleep  
Just dream  
Just sleep  
Just dream Just sleep  
Just dream In the back of my mind  
I've been trying to chase a monster this whole time  
But I couldn't see  
The monster was me  
And no one heard our cries Now I've run out of tears  
The time has come for me to disappear  
Get me out of this mess  
And away from this stress  
Set me free so I can rest We're only kids who lost our way  
But if we wait long enough  
We will be saved  
Just sleep  
Just dream  
This isn't fair  
No we're not just what we seem We want to fly  
But our souls are trapped inside  
It's not a game  
Not to blame  
We're forced to hide  
Just sleep  
Just dream  
It's only a nightmare  
And soon we'll be set free  
And soon we'll be set free And I've been crying out for help  
I know I bite but I mean well  
Can you see my disguise  
I'm different inside  
Can you break this spell And all the ghosts from before  
They're knocking and they're breaking down your door  
So please set us free  
Now you have the key  
Because I can't take the pain no more  
No more We're only kids who lost our way  
But if we wait long enough  
We will be saved

Just sleep  
Just dream  
This isn't fair  
No we're not just what we seem We want to fly  
But our souls are trapped inside  
It's not a game  
Not to blame  
We're forced to hide  
Just sleep  
Just dream  
It's only a nightmare  
And soon we'll be set free We're only kids who lost our way  
But if we wait long enough  
We will be saved  
Just sleep  
Just dream  
This isn't fair  
No we're not just what we seem We want to fly  
But our souls are trapped inside  
It's not a game  
Not to blame  
We're forced to hide  
Just sleep  
Just dream  
It's only a nightmare  
And soon we'll be set free
