Cannonball

Supertramp

You're tellin' lies
So don't you criticize
Yeah, I got used
All messed up and abusedYou let me down
With all your runnin' round
Still you pretend
And try to call me friendDon't say a word
I know just what I heard
Yeah, you've been loose
You just go no excuseJust feel my rage
Why can't you come of age?
I felt it all
Just like a cannonballThen you got mad
You said that I'm all bad
So what's the use
You lied and that's the truthYou took the key
And drove right out on me
I never knew
Put all my trust in youOkay that's it
I'm leaving now, I quit
I was unwise
So don't apologizeI paid the price
For taking your advice
I felt it all
Just like a cannonballYou can say
What you want all day
But I've never been
So outragedI'm washing
My hands of you
How could you
Be so untrueYou know
I can't stand no more
You know
I can't stand no more
I can't stand no more
Can't stand no more
