

We Got the Love

Chaka Khan

You know it hurts me
When I can't be next to you
And though we're young I know
You feel the same way, tooDeep in our hearts we know
It's just a matter of time
Cause we'll be together one dayAnd when we met
Out on the streets along the way
It wasn't by chance that we
We're passing by that dayAs sure as theres a moon
And stars above I know
We'll be together for sureAs sure as that nose on your face
We we're meant for each others arms
Just as one and one make two
You were made for me
I was made for [unverified]Don't try to hide that smile
I know thats on your face
And when you [unverified] at me
I'll look the other wayAnd we won't give away
What we know from the start
That weve got that love in our heartsDeep in our hearts
In our hearts, weve got that love
In our hearts, weve got that love
In our hearts, weve got that loveOh, deep down in our hearts
We've got that love
Oh, we're very into lovin, yeahOh, that love in our hearts
We've got that love in our hearts
Oh baby, weve got that love
