

# Let Me Know (feat. Future)

Tamar Braxton

Do you love the way I doÂ when I'm loving your body  
Hey, do you love the way I doÂ when I'm loving your body  
When I'm loving your body  
Love, loving your bodyDo you love the way I doÂ when I'm loving your body  
Hey, do you love the way I doÂ when I'm loving your body  
Hey, do you love the way I doÂ when I'm loving your body  
When I'm loving your body  
When I'm loving your bodyDo you feel it in your heart?  
Do you feel, do you feel it?  
Do you feel it? Like I feel  
Do you feel it in your soul?  
Do you feel, do you feel it?  
Do you feel it? Like I feel  
When you know when it's right (do you feel it?)  
You don't let go (do you feel it? Do you feel it?)  
You don't let go (do you feel it? Like I feel)We've been through so many things  
Ups and downs and in between  
If you need more love from me  
I'll give you more, just let me knowIt's like a loving when you run and go tell somebody  
Same loving put you through hell sometimes oh whoah  
You don't give it up to nobody  
When you love somebody  
When you love somebodyDo you love the way I doÂ when I'm loving your body (let me know)  
Hey, do you love the way I doÂ when I'm loving your body (let me know)  
Hey, do you love the way I doÂ when I'm loving your body (let me know)  
When I'm loving your body (let me know)  
Love, loving your body (let me know)Now when he breaks your heart (do you feel, do you feel it?)  
Do you feel it? Like I feel  
Lie to your face when you know  
Do you feel, do you feel it?  
Do you feel it? Like I feel  
When you cry, and you cry, and try (do you feel it?)  
You try some more (do you feel it? Do you feel it?)  
You try some more (do you feel it? Like I feel)We've been through so many things  
Ups and downs and in between  
If you need more love from me  
I'll give you more, just let me knowIt's like a loving when you run and go tell somebody  
Same loving put you through hell sometimes Â oh whoah  
You don't give it up to nobody

When you love somebody  
When you love somebody Do you love the way I do when I'm loving your body (let me know)  
Hey, do you love the way I do when I'm loving your body (let me know)  
Hey, do you love the way I do when I'm loving your body (let me know)  
When I'm loving your body (let me know)  
Love, loving your body (let me know) Turn on this light, good love  
And so your kisses making sure of  
And give it to you, give you good love  
Turn the lights on, it's going down, oh yeah  
Let me know if you like it fast, (yes)  
We can go deeper, baby, don't be scared, (yes)  
That's why we love again and again and again (yes)  
Do you want more? Let me know It's like a loving when you run and go tell somebody  
Same loving put you through hell sometimes oh whoah  
You don't give it up to nobody  
When you love somebody  
When you love somebody It's like a loving when you run and go tell somebody  
Same loving put you through hell sometimesÂ oh whoah  
You don't give it up to nobody  
When you love somebody  
When you love somebody Let me know (let me know)  
Let me know, babeÂ (let me know)  
'Cause I love youÂ (let me know)  
Let me knowÂ (let me know)  
Let me knowÂ (let me know) Do you love the way I do when I'm loving your body (let me know)  
Hey, do you love the way I do when I'm loving your body (let me know)  
Hey, do you love the way I do when I'm loving your body (let me know)  
When I'm loving your bodyÂ  
Love, loving your body (let me know) Tell me how does it feel when I'm loving your body  
You and I will never ever want nobody  
When I'm loving your body,Â when I'm loving your bodyÂ  
Just let me know, just let me know
