

# Waiting For You

## We Are Scientists

Are you waiting for the rest of your life?  
Once you've wasted all of your precious time  
I'll be there  
I'll be thereWhen you fall headlong into the unknown  
Know that you're not going through it alone  
I'll be there  
I'll beWaiting for you  
I know  
Waiting for you  
I knowI'll keep waiting for the rest of your life  
You've been aching for it all of this time  
I'll be there  
I'll beWaiting for you  
I know  
Waiting for you  
I knowThe next big step  
You aren't prepared  
I'll give you my whole life  
The next big step  
Is under way already  
My whole life  
My whole lifeI'll be waiting for you  
I know  
Waiting for you  
I knowWaiting for you  
I know  
Waiting for you  
I knowWaiting for you  
Waiting for you  
I knowWaiting for you  
Waiting for you  
I know  
I know
