

# Aicha

## Penn Masala

So sweet, so beautiful  
Everyday like a queen on her throne  
Don't nobody knows how she feels  
Aicha, Lady one day it will be real

She moves, she moves like a breeze  
I swear I can't get her out of my dreams  
To have her shining right here by my side  
I'd sacrifice all them tears in my eyes

(Chorus)

Aicha Aicha, passing me by  
Aicha Aicha, my my my  
Aicha Aicha, smile for me now (I dont know, I dont know)  
Aicha Aicha, in my life

Zulfe uski aisi lehrati  
Mere mann ki hai wo shehzaadi  
Mere khwaabon mein woh palkaathi  
Har pal wo mere sapno mein aati

Aicha Aicha, Dil Mein Chaon  
Aicha Aicha, Muskuraon

Need Somebody to lean on  
(Lean On) Someone body mind and soul (Body, Mind and Soul)  
To Take her hand to take her world  
Show her the time of her life so true  
Throw the pain away for good  
No More contemplating (Contemplating)

Nabryk Aysha wa nmout alyk  
Hady sayd hayaty wa habby  
Inty amry wa inty hayaty  
Tmanyt naysh maake ghyr inty

Aicha Aicha,
