Thought she was someone I could trust  
But shes been doublin' up with us

U, K, man we been messin with the same girl  
See I met her at this party in Atlanta!  
Well I met her at this party in Chicago!  
She came right up to me, givin me conversation  
I said, Do you got a man? she said no with no hesitation  
Well it must be a music thing cause she said the same to me  
At a party all in my face, while Im laughin and buyin her drinks  
She whispered in my ear, said, Can you take me  
home?  
Me too!  
Man, she was in the Chi singin that same song!  
Is that true?!  
And I thought it was true confessions then she said  
I love you  
Man I thought her body was callin' when she said  
I want you!  
Look I even got some pictures on my phone  
Look at there, there she is with some boy shorts on  
We messin with the same girl, the same girl  
Shes the apple of my eye and my potential wife  
The same girl, the same girl  
Man, I just cant believe that we been messin round  
With the same damn girl  
The same girl, the same girl  
Thought she was someone I could trust  
But shes been doublin' up with both of us  
U, K, man we been messin with the same girl  
Said she got me on her ringtone  
Are you talkin bout the pink phone?  
Mm mmm, the blue one  
Man, she told me that was turned off  
Its obvious that she been playin us, playin us  
Ush constantly shes been lyin to us, lyin to us  
Dont like the way that shes been goin bout it, goin bout it  
Kells, what you think that we should do about it, do about it?  
Call her up at her home, she wont know Im on the phone  
Yeah man thats the lick, homie we about to bust this trick  
Man just ask her to meet up with you and Im gonna show up too  
And she won't know what to do we'll be standin there singin  
The same girl, the same girl  
Shes was the apple of my eye and your potential wife  
The same girl, the same girl  
I cant believe that we been messin with the same girl  
The same girl, the same girl  
Shes gon be lookin so stupid when see us together  
U, K, man weve been messin with the same girl  
See, she was taken flights, movin back and forth  
(The same girl, the same girl)  
I would pick her up at the airport  
Man, I really cant believe it  
(The same girl, the same girl)  
I cant believe it, no  
(The same girl, the same girl)
