

# If I Was A Man

## Jessica Sutta

If I was a man  
Just for a day  
I'd take my time on you  
That's what a man would do  
If I was a man  
Just for a day  
And once I had my way  
I'd get up, get up and walk away  
Monday night  
Tuesday night  
Friday night  
Every night  
Why?  
Cause I can  
New York and Japan  
Make a stop off in Milan  
After all,  
I'm a man  
[Chorus]  
I'll Get to know your family  
Your friends will fall in love with me  
Just happens all so easily  
Easily  
I'll have you think that I'm the one  
You play the part I play along  
We can have a lot of fun  
Until I'm done  
If I was a man  
For a day if I was a man  
If I was a man  
For a day if I was a man  
I turn it on  
Turn it off  
Turn out  
Turn it up  
Why?  
Cause I can  
It's no sweat  
Give the check  
Show respect  
Don't forget you're paying later  
That's the plan  
[Chorus]  
If I was a man  
For a day if I was a man  
If I was a man  
For a day if I was a man  
If I was a man  
Just for a day

I'd take my time on you  
That's what a man would doIf I was a man  
Just for a day  
And once I had my way  
I'd get up, get up and walk away[Repeat: x4]  
If I was a man  
For a day if I was a man[Repeat: x2]  
I'd take my time on you  
That's what a man would do  
And once I had my way  
I'd get up, get up and walk away
