Total Death

Entombed A.D.

High hopes in my killer
Imperial doom at hand
It's been brewing in coffins
The bitterness command
It is all growing clearer
I acted as you called
It is all coming nearer
Still I crawlOmnious
Still in the dark
Poisonous
Gluttony
It's leaking from your soul
Oblivion
It's only rock and roll
DestructionWith blood they'll pay
From prayer into prey
A flavor that incite
Believe in hate at first sightOmnious
Still in the dark
Poisonous
Gluttony
It's leaking from your soul
Oblivion
It's only rock and roll
Destruction
Total death
