

# Intro

## Twista

Man I'm feeling to go kill every motherfucker in here  
No no, you can't kill every motherfucker in here  
Man I want that paper yo  
Kick that mother fucking door in Let me up in this bitch  
Man kick the motherfucker in right man  
Let me up in this bitch  
Eh! Everyone in this motherfucker freeze Everybody in this motherfucker get up  
Get your old ass off that stool  
Nigga come come, come here  
Where that motherfucking fedi at? Matter fact where that dude at?  
He know where that shit at  
His old ass know where that shit at  
Man tear this motherfucker up we gotta find this Someone shut that bitch at  
Shut the fuck up bitch  
Man I said shut her up not pop the ho  
Man fuck that I wanna find that [unverified] Man let's hurry up and get the [unverified]  
Man find that shit!  
Man lets hurry and get the fuck out of here
