What Is Mine (Loho Demo)

O.A.R.

Iron winter, got me cold
Convicted like a criminal
Sharp and nimble, the wind unfold
Got me to my feet againPast the mountain I hear a cry
Coming from the pinnacle
Oh, in the distance a city shines
Oh, what a welcomingBeen to the black rock
Found my salvation
Rendered me patient
But wearing me thin, so ImOn the way back home
Seen the big show thousand times
Got to get back what is mineThe only way I know
Feet been walking thousand miles
Got to get back what is mineBless the evening, show the way
Back to where it all began
Oh, undercover I made my case
I'm quietly a gentlemanMan, to be a fool is such a waste
He'll eat until hes sick of it
Why not stop when you find your place
And be happy that you made it inBeen to the black rock
Found my salvation
Rendered me patient
But wearing me thin so ImOn the way back home
Seen the big show thousand times
Got to get back what is mineThe only way I know
Feet been walking, thousand miles
Got to get back what is mineWhat is mine, fallen time, yeahOn the way back home
Feet been walking thousand miles
Got to get back what is mineThe only way I know
Feet been walking thousand miles
Got to get back what is mineOn the way back home
I'm on my way
You know I'm on my way back
The only way I knowGetting what is mine
Gonna get it back, give it back now
I've come so far tonight
