## Babyface

Written by david gates (1971)

Performed by babyfaceIf a picture paints a thousand words

Then why can't I paint you

The words will never show

The you I've come to know

If a face could launch a thousand ships

Then where am I to go

There's no one home but you

You're all that's led me toAnd when my love for life is running dry

You come and pour yourself for meIf a man could be two places at one time

I'd be with you

Tomorrow and today

Beside you all the way

If the world should stop revolving

Spinning slowly down tonight

I'd spend the end with you

And when the world was dueThen one by one the stars would all go out

Then you and I would simply fly away
