Good Enough

Maxeen

I've been there before
i'll be there again
i gave you my heart
you gave me apenthough i long to be fair
and shwo you what's true
it's just a mtter of time
til i lose yougood enough to be your boy
you're good enough to be my girl
no matter what move i emply
i'll end up broken-hearted stilli want to go out
but there's a clawing within
will i heed the past
and let the darkness winthought i long to be fair
and show you what's true
it'ls just a matter of time
til i lose yougood enough to be your boy
you're good enough to be my girl
no matter what move i emply
i'll end up broken-hearted stilloh oh oh...i'll end up broken-hearted stillgood enough to be your boy
you're good enough to be my girl
no matter what move i emply
i'll end up broken-hearted still, oh
