

Casualties Of War

Gossip

When I opened my eyes what did I see
Falling from the skies in front of me
Not quite but close
As though I'd seen a ghost
Was it too much to feel the touch
Of someone that you couldn't love
Cause someone that comes and goes
So how are you I'm doing well
I'm fighting tears you couldn't tell
I'm not as strong as you thought I was
When you fall down do you hear the sound
Of broken dreams

Hitting the ground
Baby please we're casualties of war
You lost the fight I heard it was a good fight
The kind that no one wins and no one
