Fever For The Flava

Hot Action Cop

Do you think that I could get some (jiggy jiggy)
Maybe gets a little finga (sticky sticky)
You my electrical lip balm flava
I gotta do ya til the next song saves ya
And can I get a little zip zip (lookie lookie)
Maybe just a little uh uh (nookie nookie)
Hey whatcha say, it doesn't matter anyway
You won't do another 'cause you're getting with me
She got the power of the hootchie
I got the fever for the flava of the cootchie
And did I mention, hey pay attention
Gonna take that booty to the nudie dimension
I got the green glow under my car
I got the boom boom system you can hear real far
Oh hey hey hey hey hey hey hey oh pretty pretty shy, whoop whoop
Oh hey hey hey hey hey hey hey oh pretty pretty fly, whoop whoop
What do I have to say to get inside girl, what do I have to say?
Whoop whoop whoop mmmmmmmmmm
Can I get a little yum yum (kitty kitty)
Just a little sumthin sumthin (itty bitty)
Do you wanna get triple X groovy
Gimme gimme some of that kinda movie
And let me spin ya like a record (wicky wicky)
Let me get ya butt naked (licky licky)
Here we go, yo here's the scenario
Gonna strip you down like a car in the barrio
Ya got the power of the hootchie
I got the fever for the flava of the cootchie
I'm your lovey dovey bedtime playa
Call me your super sexy boogie man slayer
I got the green glow under my car

I got the boom boom system you can hear real far
Oh hey hey hey hey hey hey hey oh pretty pretty shy, whoop whoop
Oh hey hey hey hey hey hey hey oh pretty pretty fly, whoop whoop
What do I have to say to get inside girl, what do I have to say?
I got the fever for the flava of the cootchie
Yo hey ma yo hey ma yo hey ma mama hootchie
I got the fever for the flava of the cootchie

Yo hey ma you hey may yo hey ma mama hootchie
Whoop 14x Go!
Do you think that I could get some (chickie chickie)
Maybe gets a little finga (sticky sticky)
You wanna suck it like a bong hit, wack it
You gotta be my first lady, jack it
She got the power of the hootchie
I got the fever for the flava of the cootchie
Let's party hardy and rock and roll
We drink Bacardi and smoke a bowl
I got the green glow under my car
I got the boom boom system you can hear real far
Oh hey hey hey hey hey hey hey oh pretty pretty shy, whoop whoop
Oh hey hey hey hey hey hey hey oh pretty pretty fly, whoop whoop
What do I have to say to get inside girl, what do I have to say?
I got the fever for the flava of the cootchie
Yo hey ma yo hey ma yo hey ma mama hootchie
I got the fever for the flava of the cootchie
Yo hey ma yo hey ma yo hey ma mama hootchie
Whoop 14x Go!
Mmmmmmmmm
