Here's the Good News

Paul Weller

A clock face ticking on empty time
I only want, what I know is mine
Sound the bells
Cause heres the good newsHeres the one you been waiting for
Your time has come
Aint gonna wait no more
Can I get a piece for me?You know when somethings up
When it hits you hard
You feel like starting over
Straight back for yardsWhen everything is everything
And everything you see
Sees us doing all the things
That we want to beMillions march back on their feet
Still no sign from a those who preach
Teach me not
They dont represent meOh, heres the one you been waiting for
Dont waste time
Aint gonna wait no more
Can I get a shout for me?You know when somethings up
When it hits you hard
You feel like starting over
Straight back for yardsWhen everything is everything
And everything you see
Sees us doing all the things
That we want to beNothings new and nothing gained
When all is lost and nothing claimed
Except the parts
They keep for their selvesOh, heres the one you been waiting for
Dont waste time
Aint gonna wait no more
Oh, can I get a shout for me?Oh, can I get a little piece for me?
For me, oh, for me, for me
