Diamond Man

The Diamond Man Clan

I know that one of your fingers point at me from your mitten.
Share plans with the devil but have the eyes of a kitten.
You said you love my smile, you like it better up side down.
I turn my back for a while and hear you clicking in the rounds.Clear like crystal I turn rocks in to sand.
Clear like crystal I turn rocks in to sand.
Clear like crystal I turn rocks in to sand.
I'm the Diamond Man.You point our others and compare their deeds to terror.
I squeeze my zits at you, I fix my hair in you, the mirror.
I sparkle in the dark, in the daylight I flare.
I might seem fragile, but I'm impossible to tear.
Clear like crystal I turn rocks in to sand.
Clear like crystal I turn rocks in to sand.
Clear like crystal I turn rocks in to sand.
I'm the Diamond Man.You think that it's over but it has only just begun.
You think that it's over but it has only just begun.You better find another, cause if you try your tricks on me, you will discover that I'm as solid as can be.I sparkle in the dark, in the daylight I flare
I might seem fragile, but I'm impossible to tear.You think that it's over but it has only just begun.
You think that it's over but it has only just begun.
You think that it's over but it has only just begun.
You think that it's over but it has only just begun.Clear like crystal I turn rocks in to sand.
Clear like crystal I turn rocks in to sand.
Clear like crystal I turn rocks in to sand.
I'm the Diamond...
Clear like crystal I turn rocks in to sand.
Clear like crystal I turn rocks in to sand.
Clear like crystal I turn rocks in to sand.
I'm the Diamond Man.
