Too Many Guys

Group X

Prostitute, I hate you
Put down the oreo crackers
And quit doing the sex
This is for youhey girl if it werent for you
everyday after school i ghot nothing to do.
you came to me house shlike every day
you're a stupid beishe cause you gave me some play.
but i didn't like it, wasn't very ghood.
now you are prostitute of neighborhood
and chocolate cake and chocolate pies,
that is how you get very big thighs.and i do not like your cottage cheese thighs,
besides, you have been with two many guys.
and i do not like your very big thighs,
besides, you have been with two many guys
you need to stop it, stop it, stop it.you did sex- you need to stop.
every guy is not lollipop.
if you turn to dinosaur when you did the sex,
everyday you would be the tyranosaus rhex.
if when you did the sex i got a nickel,
i would have enough to buy a new tricycle.
plus i get brand new pair of shoes,
but look out beishe, you might get HIQ.
now you are prostitute who tells lies,
got no friends so you sit there and cry.
chubby chin, chubby cheeks, chubby thighs,
you have been with TOO MANY GUYS.and i do not like your cottage cheese thighs,
besides, you have been with two many guys.
and i do not like your poopoo thighs,
besides, you have been with two many guys
you need to stop it, stop it, stopyou eat chocolath cake and chicken.
you spend too much time in the kitchen.
you touch my hot-stick, then i went to dinner,
then you tried to move into the mrs. winners.
you said give me turkey breat and turkey leg,
beishe, you should enroll with julie craig.
you know who you are and its not a surprise,
besides beishe you have been with too many guys.and i do not like your cottage cheese thighs,
besides, you have been with two many guys.
and i do not like your very big thighs,

besides, you have been with two many guys
you need to stop it, stop it, stop it.
stop it stop it stop it beish stop it.
stop it stop it stop it beish stop it.
not 10 guys, not 18 guys, not 2 and a half guys,
not 100 guys, not 800 guys,
not chut chut guys, not 30 guys.
