

# Emergency (Live in Anaheim)

## Paramore

I think we have an emergency  
I think we have an emergency  
If you thought I'd leave you, then you were wrong  
Cause I won't stop holding on So, are you listening?  
So, are you watching me?  
If you thought I'd breathe, then you were wrong  
Because I won't stop holding on This is an emergency, so, are you listening?  
And I can't pretend that I don't see this  
It's really not your fault  
And no one cares to talk about it, to talk about it Cause I've seen love die way too many times  
When it deserved to be alive (It deserved to be alive)  
I've seen you cry way too many times  
When you deserved to be alive, alive So, you give up every chance you get  
Just to feel new again  
I think we have an emergency  
I think we have an emergency And you do your best to show me love  
But you don't know what love is  
So, are you listening?  
So, are you watching me? Well I can't pretend that I don't see this  
It's really not your fault  
And no one cares to talk about it  
To talk about it Cause I've seen love die way too many times  
When it deserved to be alive (It deserved to be alive)  
And I've seen you cry way too many times  
When you deserved to be alive, alive The scars, they will not fade away No one cares to talk about it  
To talk about it Cause I've seen love die way too many times  
When it deserved to be alive (It deserved to be alive)  
And I've seen you cry way too many times  
When you deserved to be alive, alive  
Alive
