

Have you ever really loved a woman?

Jack Jones

To really love a woman
To understand her - you gotta know her deep inside
 Hear every thought - see every dream
 N' give her wings - when she wants to fly
Then when you find yourself lyin' helpless in her arms
 Ya know ya really love a woman

When you love a woman you tell her
 That she's really wanted
When you love a woman you tell her that she's the one
 'Cause she needs somebody to tell her
 That it's gonna last forever
 So tell me have you ever really
 Really really ever loved a woman?

To really love a woman
 Let her hold you
Til ya know how she needs to be touched
 You've gotta breathe her - really taste her
 Til you can feel her in your blood
N' when you can see your unborn children in her eyes
 Ya know ya really love a woman

When you love a woman
 You tell her that she's really wanted
When you love a woman you tell her that she's the one
 'Cause she needs somebody to tell her
 That you'll always be together
 So tell me have you ever really
 Really really ever loved a woman?

You got to give her some faith - hold her tight
 A little tenderness - gotta treat her right
She will be there for you, takin' good care of you
 Ya really gotta love your woman
