

# I Wanna Live

## Ramones

I've been thinking it over  
And I know just what to do  
I've been thinking it over  
And I know I just can't trust myself  
I'm a gypsy prince  
Covered with diamonds and jewels  
But then my lover exposes me  
I know I'm just a damn fool  
I give what I've got to give, I give what I need to live  
I give what I've got to give, it's important if I want to live  
I want to live, I want to live my life  
I want to live, I want to live my life  
As I load my pistol of fine German steel  
I never thought I'd be so down and out

Having my last meal but I know I can do it  
It just took a few years  
As I execute my killer, the morning is near  
I give what I've got to give, I give what I need to live  
I gave what I've got to give, it's important if I want to live  
I want to live, I want to live my life  
I want to live, I want to live my life  
Yea thats right  
Yea  
I want to live, I want to live my life  
I want to live, I want to live my life  
I want to live, I want to live my life  
I want to live, I want to live my life
