Peter Gabriel

Sometimes I think that I know
 What love's all about
 And when I see the light
 I know I'll be all right
I've got my friends in the world
 I had my friends
When we were boys and girls
 And the secrets came unfurled
 City of brotherly love
 Place I call home
Don't turn your back on me
 I don't want to be alone
 Love lasts forever
 Someone is talking to me
 Calling my name
 Tell me I'm not to blame
 I will not be ashamed of love
 Ashamed of love
Sometimes I think that I know
 What love's all about
 And when I see the light
 I know I'll be all right, all right
