Away With Murder

Camera Obscura

How many times have you told me you wanna die?
How many times have you told me now that you've tried?
And how many times will I let you get away with murder?
Oh, and how many times will you make me feel alive?
Hey, I got a feeling that there is something going wrong
I put my thoughts in a letter, send it when I'm feeling strong
Anytime you became the girl that you wanted to be
Oh, I told you all along there was no point looking to me
Oh, it's been hard to be strong with all of this going on
Yeah, it's been hard to be strong with all of this going on
I've been lonely too, like you
I'm just like you, I'm just like you

People have been traveling miles just to hear us sing
It's a February night and I don't want to feel anything
To get away maybe I could sell kisses
In Portland I tried my pretty hand at fishing
Oh, it's been hard to be strong with all of this going on
Yeah, it's been hard to be strong with all of this going on
I have been lonely too, like you
I'm just like you, I'm just like you
I'm just like you, I'm just like you
Hey, I got a feeling there is something going wrong
I put my thoughts in a letter, send it when I'm feeling strong
