

Any Way the Wind Blows

Frank Zappa & The Mothers

Anyway the wind blows
Is fine with me
Anyway the wind blows
It don't matter to me
'Cause I'm through with the fussin' and fightin' with you
I went out and found a woman
Who is gonna be true
She makes me oh so happy now
I'm never ever blue
Anyway the wind blows
Is fine with me
Anyway the wind blows
It don't matter to me
'Cause she treats me like she loves me
And she never makes me cry
I'm gonna stick with her til the day I die
She's not like your baby
She would never ever lie
Anyway the wind blows
Is fine with me
Anyway the wind blows
It don't matter to me
Now I'm going to go away
And leave you standin' at the door
I'll tell you this baby
I won't be back any more
'Cause you don't even know what love is for
Anyway the wind blows
Anyway the wind blows
Anyway the wind blows
Anyway the wind blows
