Walking On the Water

Indian Jewelry

When you hear me calling
You always come around
And if I?m lost and fallen
I know I will be found
Whatever I am thinking
You always seem to know
Nobody else can do this
It makes me love you so
I'm walking on the water and my head's on fire
I'm flying like a bird but I can't get higher
Nothing I can do, nothing I can say
Will ever be the same in any other way
Talking like a stranger, like someone else
I need to turn around, and brake and ask myself
Baby you're the one, I can't let go
Take me to the places that I need to know
When I'm cold and crying
Breaking up inside
You're the voice of reason
Helps restore my pride
And every moment with you
Just gets better than the last
Promise not to leave me
Never let this feeling pass
I'm walking on the water and my head's on fire
I'm flying like a bird but I can't get higher
Nothing I can do, nothing I can say
Will ever be the same in any other way
Talking like a stranger, like someone else
I need to turn around and brake and ask myself
Baby you're the one, I can't let go
Take me to the places that I need to know
Together we're stronger baby
Standing tall through the years
You're my emotional rescue baby
And you need to know, I love you so
For always
I'm walking on the water and my head's on fire
I'm flying like a bird but I can't get higher

Nothing I can do, nothing I can say
Will ever be the same in any other way
Talking like a stranger, like someone else
I need to turn around and brake and ask myself
Baby you're the one, I can't let go
Take me to the places that I need to know
I'm walking on the water and my head's on fire
I'm flying like a bird but I can't get higher
Nothing I can do, nothing I can say
Will ever be the same in any other way
Talking like a stranger, like someone else
I need to turn around and brake and ask myself
Baby you're the one, I can't let go
Take me to the places that I need to know
I'm walking on the water and my head's on fire
I'm flying like a bird but I can't get higher
Nothing I can do, nothing I can say
Will ever be the same in any other way
Talking like a stranger, like someone else
I need to turn around and brake and ask myself
Baby you're the one, I can't let go
Take me to the places that I need to know
I'm walking on the water and my head's on fire
I'm flying like a bird but I can't get higher
Nothing I can do, nothing I can say
Will ever be the same in any other way
Talking like a stranger, like someone else
I need to turn around and brake and ask myself
