

The Number of the Beast (live)

Iron Maiden

I left alone my mind was blank
I needed time to think to get the memories from my mind
What did I see can I believe that what I saw
That night was real and not just fantasy
Just what I saw in my old dreams were they
Reflections of my warped mind staring back at me
Cause in my dreams it's always there the evil face that twists
my mind
And brings me to despair
Was all this for real or some kind of hell
666 the number of the Beast
Hell and fire was spawned to be released
Torches blazed and sacred chants were praised
As they start to cry hands held to the sky
In the night the fires burning bright
The ritual has begun Satan's work is done
666 the number of the Beast
Sacrifice is going on tonight
This can't go on I must inform the law
Can this still be real or some crazy dream
But I feel drawn towards the evil chanting hordes
They seem to mesmerize me...can't avoid their eyes
666 the number of the Beast
666 the one for you and me
