Hey Good Lookin'

Jimmy Buffett

Hey, hey, good lookin', whatcha got cookin'
How's about cookin' somethin' up with me
Hey, hey, sweet baby, don't you think maybe
We could find us a brand new recipe
I got a hot rod Ford and a two dollar bill
I know a spot right over the hill
There's soda pop and the dancin's free
An' if you wanna have fun come along with me
Hey, hey, good lookin', whatcha got cookin'
How's about cookin' somethin' up with me
Oh, let's stir it boys
I'm free and I'm ready, maybe we can go steady
How's about savin' all your time for me
I said it no more lookin', I know I've been too keen
How's about keepin' steady company
I'm gonna throw my date book over the fence
Find me one for five or ten cents
Keep it 'til it's covered with age
'Cause I'm writin' your name down on every page
Hey, hey, good lookin', what you've been smokin'
How's about cookin' somethin' up with me
How's about cookin' somethin' up with me
How's about cookin' somethin' up with me
Great looking
