

Free to Run

Gomez

I'm free to run, I walk slowly, along
And everyone, walkin' slowly, along
I walk slowly, along I've been walkin' far too long
Drag my feet like everyone
Always wanted to run away
But walk slowly, along I feel, so tired
I want to sit here for a while
I can't see her in your smile
Come sit here, let's hold for a while I've been walkin' far too long
Drag my feet like everyone
Always wanted to run away
But walk slowly, along I walk slowly, along
I walk slowly I'm free to run
I'm free to run
I'm free to run
I'm free to run
I'm free to run
I'm free to run
