I'll Go

Chris Brown

There's a star in the palm of my hand and I think it yours if You don't want it then I'll understand

You deserve much more

When I brought it down from the sky, you almost forgot it

It was new back when you gave a damn

What you need, I'll go and get itBut if I don't come back

Girl, your love was worth it

That's the one thing I'll know

And if I don't make it back

Girl, remember that

That I said I'd go, babyGirl your love is so hard

But it takes me so far

But I don't care, I'll go

No

If I don't make it home

At least now you know

Girl for you, I'll goGot my heart in the palm of your hand

Now you're good, that's yours

If you don't want it I won't understand

Cause I came so far

When you tossed it

Took forever to find the place where you lost it

Now you're gone with my heart out the door

Home is here girl don't forget it. But if you don't come back

Girl this love was worth it

That's the one thing I know

If you don't make it back

Girl remember that

That I said I'll go for youGirl your love is so hard

And it takes me so far

But I don't care, I'll go

Nooo

If I do make it home

But at least now you know, I'll go
