

Two Weeks

Grizzly Bear

Save up all the days
Just routine malaise
Just like yesterday
I told you I would stay Would you always
Maybe sometimes
Make it easy?
Take your time Think of all the ways
Momentary phase
Just like yesterday
I told you I would stay Every time you try
Quarter half the mile
Just like yesterday
I told you I would stay Would you always
Maybe sometimes
Make it easy?
Take your time Would you always
Maybe sometimes
Make it easy?
Take your time Always, sometimes
Easy, time
