Pure Hatred

Chimaira

I have told you things need to change
You never listened or came to my aid
The vicious cycle has not changed
My times spent rearrangedMother fuck it all, I can't stand this
Remember what I said
Everyone makes me sick
Well nothing has changedI hate everyone
I hate everyoneThe vicious cycle still remains
Constant cluster fuck, bloodstains
Ignorance, you kill for God
Expression not allowedYou fucked it up
With your mother fucking games
Remember when I said, "I was so ashamed"
Well, nothing has changedI hate everyone
I hate everyoneYou have to
Pick and choose your fights
You have to
Come out of this aliveI have told you things need to change
You never listened, never came to my aid
The vicious cycle still not changed
My judgment fades awayYou'll never change me
Remember we are through
I am staying here to betray all of you
And nothing will changeI hate everyone
I hate everyone
I hate everyone
I hate and I hate
And I hate everyone
