Homosapien (Dub)

Pete Shelley

I'm the shy boy, you're the coy boy
And you know we're Homosapien too
I'm the cruiser, you're the loser
Me and you sir, Homosapien too

Homosuperior in my interior
But from the skin out
I'm Homosapien too
And you're Homosapien too

And I'm Homosapien like you
And we're Homosapien too

And I think of your eyes in the dark
And I see the star
And I look to the light
And I might wonder right where you are

All the Gods in the sky, way up high
See the world spinning 'round
But the sun and the moon
And the stars are so far from the ground

I'm the shy boy, you're the coy boy
And you know we're Homosapien too
I'm the cruiser, you're the loser
Me and you sir, Homosapien too

Homosuperior in my interior
But from the skin out
I'm Homosapien too
And you're Homosapien too

And I'm Homosapien like you
And we're Homosapien too

And the worlds built of age are a stage
Where we act out our lives
And the words in the script seem to fit

'Cept we have some surprise

I just want this to last
Or my future is past and all gone
And if this is the case
Then I'll lose in life's race from now on

Homosuperior in my interior
But from the skin out
I'm Homosapien too
And you're Homosapien too

And I'm Homosapien like you
And we're Homosapien too

And I just hope and pray
That the day of our love is at hand
You and I, me and you
We will be one from two, understand?

And the world is so wrong
That I hope that we'll be strong enough
For we are on our own
And the only thing known is our love

I don't wanna classify you
Like an animal in the zoo
But it seems good to me to know
That you're Homosapien too

I'm the shy boy, you're the coy boy

I don't wanna classify you
Like an animal in the zoo
But it seems good to me to know
That you're Homosapien too

I don't wanna classify you
Like an animal in the zoo
But it seems good to me to know
That you're Homosapien too

I don't wanna classify you
Like an animal in the zoo
But it seems good to me to know
That you're Homosapien too
