

I'm Done

Tweet

I'm done, yeah, now baby
Ooh, ooh, done
Yeah, now baby I'm in no need for love
Stretched a sista more than a mile
It's not for me because there's no trust in love
So I'm resting awhile How could you do me this way
I can recall how you made me smile
And I don't have time to play with ya
If I see ya, make it worth my while Until then I'm done, oh baby
I'm done now, yeah, yeah No need for love
Unless it's Mr., oh, Mr. Right
And only because
Mixing lust with love
One may never find 'Cause there'll be dues to pay
And most of all many sleepless nights
But there won't be today, no
Guess I'll see you
Love, it's been nice Until then I'm done
I'm done, yeah
Ooh done, now
Now, baby, yeah
Oh, baby, ooh, ooh Hit the road
You can't live here no more
Hit the road, go, oh
Hit the road
You can't live here no more
Hit the road, ooh I'm done, yeah, go
If you're looking for me
I'm done, I'm done, done
How could you do this to me
Love, I'm done Just a vacancy, I'm done, I'm done
Done, I'm done, so done, I'm done
Such a vacancy
Love, don't live here anymore So done, so done, so done
So done, so done
Ooh, ooh
