Your body is my temptress
Your being is a must
I cannot live another day without you
I'd give it up for just one touch
To see your face
To feel your lust calling me
She won't stop calling
I feel her crawling inside
She won't stop calling
Come and watch my lips turn blue
I wrote this song just for you
It's what you've made create
I'm drowning in the well
Of my sins and my selfishness
I can't forget when I felt you
It was clear to me that I need you
Fuck this world
And fuck this place

I never asked for this
I never wanted this
I never asked for you
I never wanted you
(x2)
But the long keeps on drawing me back
In your hands again (x3)
I can't forget when I felt you
It was clear to me that I need you
I can't forget the things that you put me through
I can't forget (x2)
I don't regret the poison that set me free
I don't regret (x2)
Your body is my temptress
Your being is a must
I cannot live another day without you
I CAN'T!!!
