

# Turn Me On "mr. Deadman"

## Union Underground

Penetrate, penetrate  
All the simple minds  
They adore, what a bore how they stand in line  
Dilate, dilate  
What's my drug of choice?  
It's okay when they pay they say I got the voice  
Look at this the motherfucker is a millionaire  
Realize it's a mask that you wear  
Violate, violate  
Such a simple plan  
Turn me on turn me on Mr. Deadman  
Yeah, I want it  
I need it  
To make a million  
Yeah, I love it  
A fuckin' rockstar  
Yeah, I want it  
I need it  
To make a million  
Yeah, I love it  
A fuckin' rockstar  
Penetrate, penetrate  
All the simple minds  
They adore, what a bore how they stand in line  
Dilate, dilate
