

# God People

## Salvador

[Chorus: ]

God people, let's do this thing  
We can dance and we can sing  
Salvation and the joy it brings,  
God people

God people, let's do this thing  
We can dance and we can sing  
Salvation and the joy it brings,

God peopleEverybody let's come together

We gotta lift Him up, We've got to rise up and We've got to call His name

Everybody it don't matter whether

If you do it ol' school, yeah that's cool

Nothin' like a new way, new play, I say[Chorus: ]Love (love) is the fruit of the forgiven

Praise (praise) is the way that we are giving it to Him

Hey (hey) come on go with me

Get the thing started

Have a praise party

We gotta get together hey hey hey[Chorus: ]God's people gotta do this thang

God's people gotta do this thang[Chorus: Repeat 2X]
