Dreamin' About the Day

[Joan Osborne](#)

The sun goes down too early
The wind goes down my back just like it owns me
I work my job, I get my check
I'm tryin' not to let myself get lonelyI'm just dreamin' about the day when I can
Show you all the love I've got for you
Oh yeah yeah yeah yeahI used to hear my heart cry out, I used to feel it pound in me
I used to think it'd break me right in two
But now that seems so long ago
I'm feelin' like there's nothin' I can't doI'm just dreamin' about the day when I can
Show you all the love I've got for you
I've got so for youSometimes I can see your face, taste your lovin' in my mouth
Baby I am comin' back for more
Can't you see me comin', can't you feel me comin'?
Can't you hear me knockin' on your door?I'm just dreamin' about the day when I can
Show you all the love I've got for youI'm just dreamin' about the day when I can
Show you all the love I've got for youOh, yeah
One more baby
Dreamin' about the day when I can
Show you all the love I've got for youI've got so much love for you, baby
I've got so much love for you, baby
I've got so much love for you, baby
I've got so so much, yeah
