Done And Done

Chuck Ragan

And we only want to love
Why do we never know
Questions come and answers go
Somewhere else besides our head
Wear the stripes until we're dead
Spending time here and above
Hopelessly devoted the flesh and blood
until we're done and doneDone and doneWake up now we've got to go
Somewhere higher's all I know
Leave behind the walking dead
Leave the mess don't make the bed
And we'll ride on like a wave
Roll and never hesitate
Build momentum and create
Something to say
Something to say
Oh, let it go
Cut loose and roll
Rock steady soul
Get up stand up
Throw your hands up
Oh, let it go
Cut loose and roll
Rock steady soul
Get up stand up
'Til you're done and doneDone and done
