

Mr Right

Brown Boy

Baby, I know you been lookin' for that
Special someone
I think that I could be that one
Your Mr. Right, c'mon I'm lookin' for my Mr. Right
To love me just the way I like
Think you could be my Mr. Right
Who could hold me till the morning light Be the one you're lovin'
Kissin' and you're huggin'
When you call my name boy
Baby, I'll come runnin' Gonna treat you right
Gonna love you girl with all my might

I would walk a million miles just to make you smile Just to hold your hand
Just to kiss your lips
And feel ya body on mine
