

# Perfect Girl (interlude)

## Lil' Bow Wow

Check it out man  
My perfect dream girl, she have to be nice.  
Uh...I mean she have to be real nice.  
She gon have to be real fly.  
She gon have to be jiggy.  
She gon have to be up-to-date  
You know what I'm sayin'  
That's how I'm gon want my girl to be.  
Ima want my girl to respect me for who I am.  
I want her to look real pretty you know what I'm sayin'.  
Not Not real uh...seditry like you know what I'm sayin'  
Not real prissy.

I want her to be able to ride with me for me to be able to ride with her.  
You know, maybe if she like that I can take her out to the movies sometime,  
hit the Cheesecake Factory you know;  
Have a couple of roses sent to her you know so when she get out of school  
they'll be right there on the front porch you know.  
That's the type of stuff I like doing.  
And maybe on the weekend on a Friday or Saturday you know um...maybe we could  
go party.  
Maybe we could hit Santana's a couple times you know what I'm sayin'.  
You know that's how Bow Wow like to do it.
