I Don't Care (feat. Maejor Ali)

[Kid Ink](Kid Ink)

I don't really care what everybody gotta say
Oh no, I don't
I don't really care what everybody gotta say
Oh no, I don't, no, I don'tI don't really care what everybody gotta say
Bitches tell me that they love me, they be lying to my face
That's the price you gotta pay you wanna live the life of fame
It's that life that's for forever, I don't know no other way
I don't really care what everybody tryna do
I've been on my own shit and staying loyal to the crew
Gotta ride or die bitch, you staying loyal to this dick
She know I be working hard and I ain't coming home till 6
Baby, God is my witness, I'mma die before I fail
Way too much drive, better click, you see mebail
While I light another L of that fire straight from hell
I just need a little time but they never made it upI don't really care what everybody gotta say
I hear 'em talking but they ain't saying nothing, no
I don't really care what everybody gotta say
They loving, they hating and we changing every day so don't
Believe what they tell you, don't
Believe what they say, don't
Believe what they tell you, don't
Don't believe, don't believe what they sayI said I ain't really tripping on how everybody move
Riding in my own lane, feeling like I got the juice
Tell the truth, atchu, I'm allergic to the fame
Never ever gave a fuck, they used to say I was a face
But I'm still riding round with my middle finger up
Top down on a gown, put them titties in the air
See you looking at me now like that nigga got a nerve
I don't worry, keep sipping watch em all turn 'round
And bust down to the ground
I've been busting my balls tryna put on for my town
Never put in the towel, put that vowel on my vouch
But the judgment and trial, don't nobody make a soundI don't really care what everybody gotta say
I hear 'em talking but they ain't saying nothing, no
I don't really care what everybody gotta say
First they love then they hate and we changing every day so don't
Believe what they tell you, don't
Believe what they say, don't
Believe what they tell you, don't

Don't believe, don't believe what they sayI don't really care what everybody gotta say
Oh no, I don't
I don't really care what everybody gotta say
Oh no, I don't, no, I don't

Don't believe, don't believe what they sayI don't really care what everybody gotta say
Oh no, I don't
I don't really care what everybody gotta say
Oh no, I don't, no, I don't
