Nothing Lasts Forever Anymore

Sloan

I can see the writing on the wall
You hardly see me lately if at all, well, well
Its funny you say that
Cause I miss you like I never have before
But nothing lasts forever anymoreI wanna know you, I wanna trust you
But you get a lot of love from the guys
I wanna show you off but must you
Be easy on the ears and the eyes too?Dont you know the time is right?
Dont you know the time is right?Its funny you say that
Cause Im standin here and what thats standin for
Is nothing lasts forever anymoreDont you know the time is right?
Dont you know the time is right?I believe you mean it when you say
That you have time for me but not today, well, well
Its funny you say that
Well, it may be true but one thing is for sure
Is nothing lasts forever anymoreDont you know nothing lasts forever anymore?
And nothing lasts forever anymore
Dont you know nothing lasts forever anymore?
And nothing lasts forever anymoreIts funny you say that
