Psycho Magnet

London After Midnight

Advisory - the following lyrics contain explicit language:

Such a wretched waste of time
such a fool to be so blind
serpents hide behind your eyes
and I'm their prey tonightCan we end this mind fuck please, your treachery's beyond belief
You expect to bring us to our knees with your psychopathic tendencies?
Please be gone and rest assured I see you as you are, perverse
with all your lies and empty words- I fear for you there is no cure.Here we go another game
designed to butcher someone's brain
is that emotion I see feigned?
all reason's lost on the insaneCan we end this mind fuck please, your treachery's beyond belief
You expect to bring us to our knees with your psychopathic tendencies?
Please be gone and rest assured I see you as you are, perverse
with all your lies and empty words- I fear for you there is no cure.Sincerity has not been found
beneath your self appointed crown
these bitter tears in which I drown
will soon be yours to drag you downCan we end this mind fuck please, your treachery's beyond belief
You expect bring us to our knees with your psychopathic tendencies?
Please be gone and rest assured I see you as you are, perverse
with all your lies and empty words- I fear for you there is no cure.
