Without the Lord I would be nothing

Without the Lord I sure would fail

He is my, everything, everything, everything, everything (repeat)He's the one, when I'm low to Him I go

He's the one, when I call I can go

He's the one, when I'm low to Him I go

He's the one, when I fall I can goHe is my, everything, everything, everything, everything, everything,
everything, everythingWonderful, Counselor, Prince of Peace, Everlasting Father
