

Tweezer (reprise)

Phish

Take me to another place, she said
Take me to another time
Run with me across the oceans
Float me on a silver cloud If I could I would, but I don't know how
If I could I would, but I don't know how
If I could I would and I'd take you now Stay with me till time turns over
I want to feel my feet leave the ground
Take me where the whispering breezes
Can lift me up and spin me around If I could I would...
Hear you laughing as we go
Flipping backward through the doors and through the windows
I'm melting into nothing
