

When I'm Good and Gone

[Ricky Skaggs & Sharon White](#)

I hope they find my King James Bible
Worn around the edges and opened to the Book of John
My favorite picture we made together
Down by Mill Creek when we were just twenty-one
I hope its led by your own love letters
The ones that read just like a song
I hope they find more good than bad
When I'm good and gone I hope my Babies will make good neighbors
The kind you can count on when your down
And I hope they teach their sons and daughters
The things I taught 'em when I'm not around
I hope the sun shines the day they lay me down
And there's lots of flowers and that line of friends is long
'Cause they found more good than bad
When I'm good and gone
I ain't leavin' here today as far as I can see
I got a list of things I plan on getting' to
Oh, but how and when I leave this world ain't up to me
Oh Lord You'll make that call and when You do
I hope You find more good than bad
When I'm good and gone...
I hope You find more good than bad
And I hope they find my King James Bible
Worn around the edges and opened to the Book of John...
