

All Wet

Son Little

You said I won't be gone to long
But you're not me, so how you know, what's too long?
You said it shouldn't take too long
You left us wishing on a star, a star, star, star, a star. Oh love, when we can't find it, we'll take the drug
All wet, in a sea through some day (?)
Oh love, when we can't find it, we'll take the drug
All wet , in a sea through some day (?) You said I shouldn't be too long
You left a king without a throne, throne Oh love, when we can't find it, we'll take the drug
All wet, in a sea through some day (?)
Oh love, when we can't find it, we'll take the drug
All wet, in a sea through some day
(Fade Out)
