She Blinded Me With Science

Thomas Dolby

It's poetry in motion
She turned her tender eyes to me
As deep as any ocean
As sweet as any harmony
Mmm - but she blinded me with science
She blinded me with science
And failed me in biologyWhen I'm dancing close to her
Blinding me with science - science
I can smell the chemicals
Science
ScienceMmm - but it's poetry in motion
And when she turned her eyes to me
As deep as any ocean
As sweet as any harmony
Mmm - but she blinded me with science
She blinded me with science
And failed me in geometryWhen she's dancing next to me
Blinding me with science - science
Science
I can hear machinery
'Blinding me with science - science
ScienceIt's poetry in motion
And now she's making love to me
The spheres are in commotion
The elements in harmony
She blinded me with science
She blinded me with science
And hit me with technology'Good heavens Miss Sakamoto - you're beautiful
I don't believe it
There she goes again
She's tidied up and I can't find anything
All my tubes and wires
And careful notes
And antiquated notionsBut - it's poetry in motion
And when she turned her tender eyes to me
As deep as any ocean
As sweet as any harmony
Mmm - but she blinded me with science
She blinded me with science

And failed me in geometryShe blinded me - with science
She blinded me with
